EXPERIENCE

PlanetArt | Global B2B E-Commerce
San Diego, CA

Product Operations & Merchandising Intern
Jun 2026 - Aug 2026

- Analyzed product, vendor, inventory, competitor, and website data to identify merchandising gaps and opportunities.
- Prototyped a centralized merchandising platform connecting product data, inventory, and workflows for engineering.
- Led UK pricing, competitor, and vendor research to shape CafePress's launch strategy and prototype e-commerce site.

Shift Content | Digital Marketing & Brand Strategy
London, UK

Creative Strategy & Client Solutions Intern
Jan 2026 - May 2026

- Managed clients for film and marketing content, leading projects from brief through production and final delivery.
- Increased qualified inquiries by rebuilding paid search and landing pages across 100+ keywords and 6 client domains.

The Artesian Network | Enterprise AI Research & Advisory
Remote

Enterprise AI Research Associate
Jun 2025 - Jan 2026

- Evaluated LLM, RAG, and agent platforms for data readiness, cost, and risk, recommending implementation paths.
- Produced 4 executive white papers for clients on AI architecture, governance, compliance, and deployment strategy.

Valiance Capital | Private Equity Real Estate Investments
Berkeley, CA

Leasing & Operations Associate
Oct 2024 - Jun 2025

- Managed CRM and leasing operations for a 1,000+ tenant portfolio, tracking occupancy, pricing, and conversion.
- Defined development requirements for AI leasing agent adopted across 18 properties, reducing response time by 95%.

PROJECTS

AI Spreadsheet Agent | Independent · https://spreadsheetagent.netlify.app/
2026 - Present

- Built a spreadsheet AI agent that retrieves data and generates, structures, and populates editable sheets through chat.

Jumpstart Finance | Founder & Product Lead · European Innovation Academy, Porto
Jun 2024 - Jul 2024

- Led a 5-person international team from customer discovery to prototype and pitch, driving 150 sign-ups in 24 hours.
- Translated user research into gamified mechanics, personalized journeys, monetization, and product requirements.
